An update from our CPGA Head Golf Professional

COLIN SCATCHERD

Welcome to the Oakwood Resort Golf Club, 'The Oakwood 9'.

Celebrating our 100th year anniversary in 2022, we continue to operate the original nine holes of the Oakwood Resort Golf Course.

The Oakwood 9 is a family-friendly 9 hole golf course with a mixture of par 3's and par 4's. It is the perfect course for a relaxed, quick round and is a fantastic course to introduce new golfers to the great game of golf. The Oakwood 9 also offers a fun round for smaller groups and a great way to challenge any player's short game skills.

Of course, 18 holes of golf is still an option with our 'Same Day Replay' rate if you feel like you're just getting started after 9 holes. Golfers who are up for it can enjoy a second round of 9 holes at a reduced rate.

New to golf? This is the course for you! Not only is our course friendly for beginners, you can also choose to sign up for a golf session with our CPGA golf pro Colin Scatcherd. Don't have a set of clubs yet? Stop by the Pro Shop and rent a set of clubs! Whether new to the game or experienced, our two practice putting greens also offer the perfect space for anyone looking to work on their short game.

Our Oakwood Resort golf leagues will continue to play weekly golf. For your leisure, we continue to offer power carts and pull carts to our golfing guests.

Whether new or experienced, we look forward to seeing all golfers out on The Oakwood Nine this season and truly receiving the full Oakwood Resort golf experience.

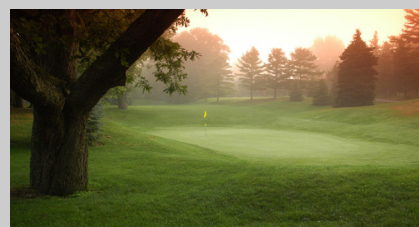

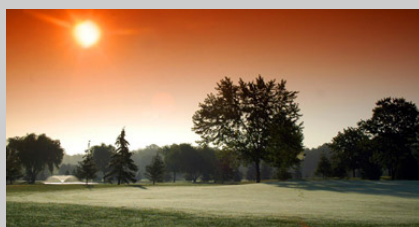

A sincere thank you for your patronage,

Colin Scatcherd

A course for the

Future Generation of Golfers

We all know golf is a fantastic game! Getting kids into the sport is one of the best things you can do to set them up for success in all aspects of life. Golf is a great way to get kids physically active in a safe environment and a sport they'll love. And the benefits go beyond physical fitness too — it can help with mental and emotional development as well as help develop social and emotional skills that will last their whole lives. One of our favorite things about golf is that anyone can play. So let's share this game with our kids!
